SUGGESTIONS

- Bring a crate for rest time.
- You may bring dog treats or toys to get your pooch moving -- it helps.

FOR YOUR SAFETY

In the unlikely event that your dog should suffer any medical problems, there will be a licensed veterinarian or veterinary technician in attendance. Should a veterinarian's services be used on your dog, it will be *your responsibility* to pay for services rendered. This is just a precautionary measure. All obstacles were designed for our breed and their safety.

Here is a list of items we strongly encourage you to bring for medical occurrences: Benadryl, small cooler of ice, towel, spray water bottle, lemon juice.

Prior to signing, you have read and understand this two-page form in its entirety.
